

Horizontal Alignment Data, Control Data, and Subsurface Utility Locations plan sheets have been updated.

The following changes were made:

- (1) Added "U.S. Survey Feet" to the coordinate/datum information along the bottom of each sheet
- (2) Changed SF (scale factor) to CSF (combined scale factor) in the coordinate/datum information along the bottom of each sheet
- (3) Corrected the example northing and easting values in the tables to display hundredths of a foot on each sheet
- (4) Changed the text to be modified from light orange to red to meet ADA accessibility requirements for color contrast.

The updated plan sheets may be downloaded from [here](#).
