

## **Section H – Landscaping Notes have been updated.**

Throughout the Section H notes, the light orange colored text was changed to a red color that meets the ADA requirement for contrast.

On Sheet H2, the products and manufacturers were removed from the MYCORRHIZAL INOCULUM note. A note was added stating that this item will be from the approved products list and a link to the approved products list was added.

On Sheet H3, the products and manufacturers were removed from the FERTILIZING note. A note was added stating that this item will be from the approved products list and a link to the approved products list was added.

On Sheet H5, the products and manufacturers were removed from the WEED BARRIER FABRIC/LANDSCAPE FABRIC note. A note was added stating that this item will be from the approved products list and a link to the approved products list was added.

Section H – Landscaping standard notes file may be downloaded from [here](#).
