The South Dakota Department of Transportation (SDDOT) will hold a public meeting open house to discuss and receive public input on a traffic and drainage study for the area of S.D. Highway 38, between Burr Street and 413<sup>th</sup> Avenue, and S.D. Highway 38P from Wallace Street to S.D. Highway 38 in Mitchell. The purpose of this study is to evaluate existing and future conditions of the study area, with a focus on potential improvements related to safety and traffic operations along Highway 38 and drainage considerations along Highway 38P.

Individuals needing assistance, pursuant to the Americans with Disabilities Act (ADA), should contact the SDDOT ADA Coordinator (605-773-3540) two business days prior to the meeting in order to ensure accommodations are available. For any in-person meeting, notice is further given to individuals with disabilities that the meeting is being held in a physically accessible location.

Staff from the SDDOT and consultant team will be available with displays to discuss the study and answer questions. The opportunity to provide written comments will be made available. Written comments will be accepted until Jan. 17, 2025. Comments can be submitted either in-person during the public meeting or sent to Mark Lutjeharms, Consultant Project Manager, 2000 Q St., Suite 500, Lincoln, NE 68503 or [mlutjeharms@jeo.com](mailto:mlutjeharms@jeo.com).

For those who cannot attend the public meeting or desire additional information on the overall study, information will be made available on the SDDOT study website the day of the meeting at [https://dot.sd.gov/projects-studies/projects/public-meetings#listItemLink\\_2043](https://dot.sd.gov/projects-studies/projects/public-meetings#listItemLink_2043). The website also allows for online written comments to be submitted.
