

WINTER DRIVING TIPS!

STAY PREPARED!

DON'T CROWD THE PLOW

Preparation is the Key to Safe Winter Driving

- Before driving in adverse conditions, check *https://www.sd511.org/* for the most up-to-date road and weather conditions.
- Plan your travel route and let someone know your plans and anticipated time of arrival.
- Give yourself extra time, don't be in a rush!
- Have an emergency kit somewhere in your vehicle in case your vehicle breaks down.
- Put down your phone and other distractions!

SAFETY REMINDERS:

Give snowplows room to groom - plows travel slowly, make wide turns, and stop often. Follow plows at a safe distance and use extreme caution when passing.

SAFETY IS KEY!

Use These Tips to Drive Safe This Winter

- Slow down and drive for the road conditions.
- Turn your lights on, particularly in snowy blizzard conditions.
- Always wear your seatbelt!
- Increase your following distance when road conditions are impacted.
