

Section A – Estimate of Quantities and Environmental Commitments notes have been updated.

Throughout the Section A notes, the light orange colored text was changed to a red color that meets the ADA requirement for contrast.

On Sheet A2, the yellow guidance text was updated and the SPECIFICATIONS note was removed. The SPECIFICATIONS note will no longer be in Section A. The Bid Letting Office will include a specifications note and link to the electronic specifications webpage in the Notice to Contractors.

On Sheet A3, Commitment A1 was updated to add language /the plans after Section B Grading Plans and add guidance to send wetland files to designer to be incorporated into the plans. The Specifications reference was updated from Section 7.21 D to Section 7.18.

On Sheet A4, Commitment A2 was updated to add language /the plans after Section B Grading Plans. Commitment B1, updated link to map in guidance language. Added language that fish rescue and seining activities cannot be conducted in freezing conditions or inclement weather events.

On Sheet A5, Commitment B4 updated language to include the Golden Eagle. Commitment B5 was updated to include the Tri-colored Bat. Added a heading to the Table of Bat Seasonal restrictions. Language was added to inform the environmental office if work cannot be conducted outside the seasonal restriction. Commitment B6, revised language for projects with structures and without structures and included guidance on the Barn Swallow. Added headings to the Migratory Bird Restrictions tables. Added Commitment B7, that is reserved for additional project specific requirements or restrictions to federally listed T&E Species.

On Sheet A6, Commitment C was updated to include language for access to state waters for extraction, updated like to Topeka Shiner map. Commitment D2, updated language in highlighted guidance, and language and form links under Actions Taken/Required for dewatering when general permit is and is not required. Updated guidance link to Topeka Shiner map. Updated link to SDDOT Dewatering Info CDX form link.

On Sheet A7, Commitment E updated language from certification to Authorization and updated the form link, updated the EPA permit year. In Commitment F we added a heading on the table of seasonal restrictions, corrected language, coldwater spelling. In Commitment H, we removed first half of the first sentence in Action Taken. Reformatted paragraphs.

On Sheet A8, Commitment J, the Specifications reference was updated from 7.21 C to 7.18 C.

On Sheet A9, Commitment K was changed from Rapid City Area Air Quality Control Zone to Locational Permits. K1, K2, K3, and K4 are new commitments. In Commitment L, added heading to Table of Contaminated Material Locations, updated estimated quantity and added language “the plans” option for non-section plans.

On Sheet A10, Commitment M, updated M1 & M2 language, added headings to the tables.

On Sheet A11, Commitment P and Commitment Q, added language “the plans” option for non-section plans.

On Sheet A12, Commitment S, updated link for Black Hills Fire Protection District map. Added Commitment T1 for Emerald Ash Borer management for Lincoln and Minnehaha County.
