

Section A – Estimate of Quantities and Environmental Commitments have been updated.

On Sheet A2, the **SPECIFICATIONS** note was updated to reference the new electronic Standard Specifications and to include a link to the Standard Specifications webpage. Informational text in yellow highlight was added to remind plan preparers that all projects let on or after 10-1-25 will use the new electronic specifications and will include a Construction Schedule bid item.

Section A – Estimate of Quantities and Environmental Commitments file may be downloaded from [here](#).
