

Section C – Traffic Control notes have been updated.

On Sheet C5, in the SHORT TERM TEMPORARY TRAFFIC CONTROL SIGNAL and both of the PORTABLE TEMPORARY TRAFFIC CONTROL SIGNAL notes, the reflective border of the backplates were modified to include both Type IX and Type XI sheeting.

On Sheet C2, the note SHEETING FOR TRAFFIC CONTROL SIGNS was removed as this is now covered in the Supplemental Specifications

Section C – Traffic Control note file may be downloaded from [here](#).
