(If applicant is a current high school senior)

James H. Jenssen Scholarship Application

All applications must be mailed to:

Director of Planning & Engineering
Department of Transportation
Becker-Hansen Building
700 E. Broadway Avenue
Pierre, SD 57501

**Applications must be
postmarked no later
than April 30, 2022**

Scholarship Value: \$500.00

Scholarships will be awarded for fall semester. All eligibility requirements listed below must be met. Scholarships may not be used for any purpose other than tuition or purchase of books at the school identified in the application. If all eligibility requirements are not met, it may result in disqualification of the applicant.

Selection Process:

The scholarship selection will be determined by a scholarship committee. Each application will be scored by the committee on the following:

- Grade Point Average and ACT/SAT Scores
- Need for financial assistance
- Written Essay

Please attach the following with your application:

Academic History: Please include a copy of your most current high school or college transcript. Your cumulative GPA through the last semester or quarter completed must be included and 3.0 or higher.

Written Essay: Please provide a short essay (no more than one page) authored by the applicant. It should address the need for financial assistance, describe why they want to pursue an education in the field of engineering, their personal aims and goals that will make them an asset to the engineering field including any honors and/or community involvement, and why they have chosen the college/university they are or will be attending.

To be eligible for a James H. Jenssen Scholarship, applicants must meet EACH of the following criteria:

- ✓ Be a South Dakota resident and a high school senior **OR** be a South Dakota resident and enrolled in an undergraduate engineering program at South Dakota School of Mines or South Dakota State University for the upcoming academic year
