ACROSS:

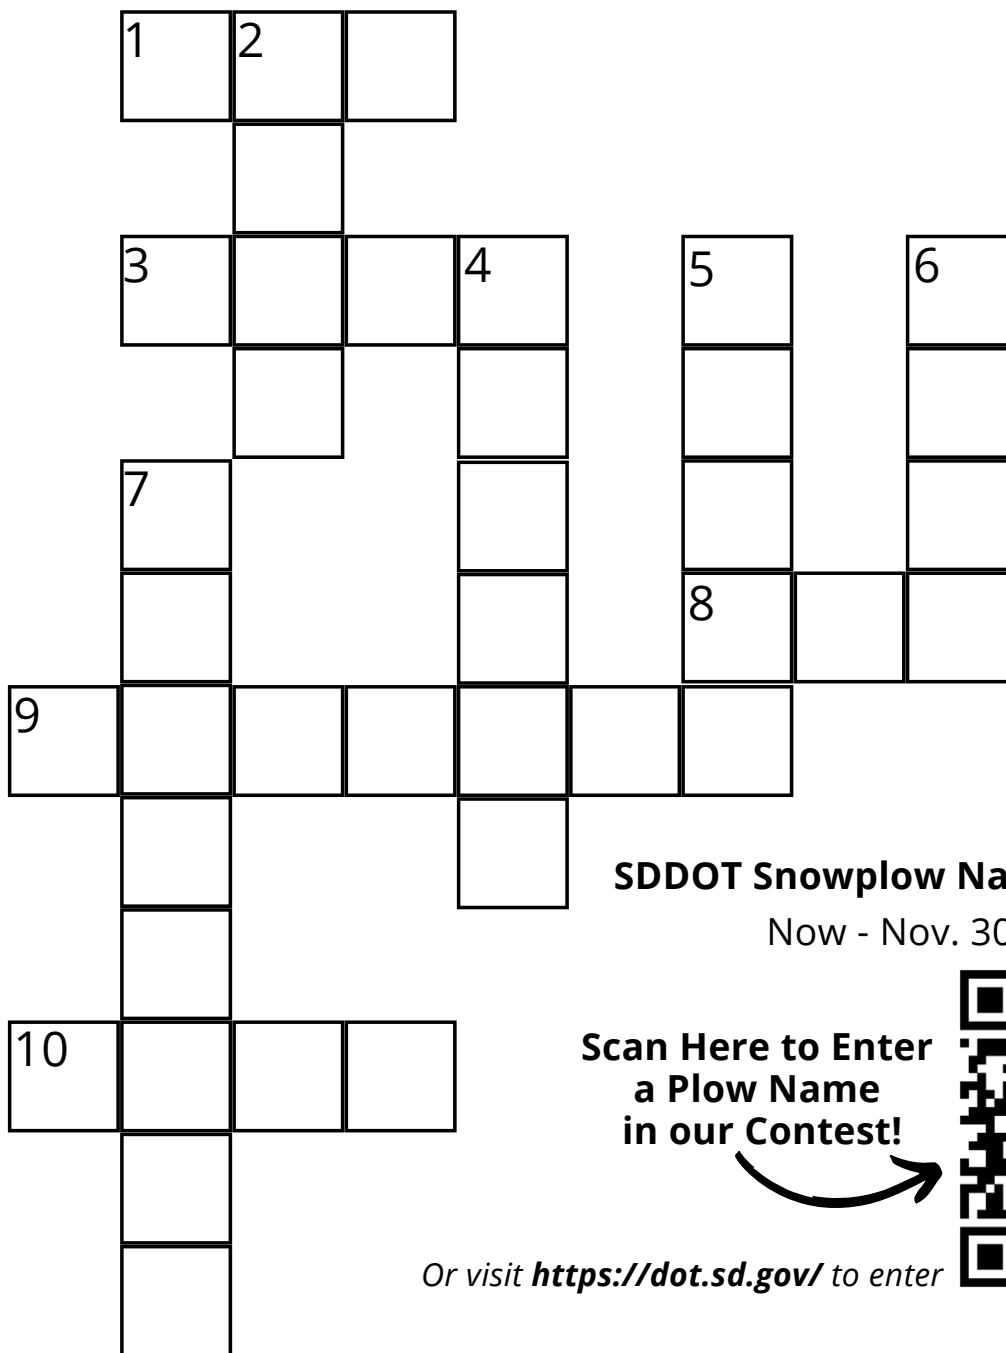

1. This can make the roads slippery.
3. The SDDOT uses this to clear the roads.
8. If you go in the ditch you have to call this truck to get you out.
9. You wear these on your hands in the winter time.
10. The snowplows put this on the road to melt the ice.

DOWN:

2. This is what you say you have when you're sick.
4. The time of year when snowplows are out.
5. You should wear these on your feet in the winter.
6. Frosty was made out of.
7. This is what you call a really bad winter storm.
