The South Dakota Department of Transportation (SDDOT) is presenting on the above project and asking for public input.

The Project is being developed in compliance with state and federal environmental regulations.

Due to limitations on public gatherings recommended by the Centers for Disease Control, the department is posting project information on the department's website rather than presenting documents at an in-person public meeting. Members of the public may submit questions or comments about the project by completing an online form or by calling (605) 367-5680 Option 6 and providing verbal comments.

Any individuals with disabilities who require a reasonable accommodation to access the information on the department's website may submit an accommodation request to the department's A.D.A. coordinator by calling 605-773-3540 or 1-800-877-1113 (Telecommunications Relay Services for the Deaf).

Questions or comments should be submitted by February 5, 2021.

For further information regarding this project, contact Darin Johnson, Road Design Engineer at (605) 367-5680 Option 6.
