COMMERCIAL DRIVER'S LICENSE TRAINING

DRIVE YOUR NEW CAREER AS A PROFESSIONAL CDL DRIVER FOR THE ROAD CONSTRUCTION INDUSTRY!

TRAINING OPTION

LEARNER'S PERMIT EXAM

PREP*: 4 hours

This training will prepare you to take the CDL Learner's Permit Exam which allows you to train behind the wheel. This covers both Class A & B test prep. *This course isn't required by the FMCSA's new regulations but is highly recommended for successful test results.*

FOR DRIVERS IN THE
ROAD CONSTRUCTION
INDUSTRY!**

This CDL training program is supported through funding from the FHWA On-the-Job Training Supportive Services Program through the SDDOT.

Looking for a career not a dead end job? As a truck driver with a Commercial Driver's License, you can expect to find employment with South Dakota's leading road contractors, state, community and tribal government agencies starting from \$20-\$23/hour! Join us for FREE CDL Permit training and we'll work to help you find employment and work on-the-job to finish your CDL training.

As of February 7, 2022 the Federal Motor Carrier Safety Administration (FMCSA), requires all non-licensed drivers to enroll in a formal training program to obtain their CDL. If a driver currently has their class B licensure they will need to attend formal training to up-skill to class A. AGC of SD is a registered training provider.

UPCOMING CDL TRAINING: CLASS A & B

- July 7, CDL Permit Training - ZOOM, 9am – 1pm CT
- August 4, CDL Permit Training - ZOOM, 9am – 1pm CT

*Qualified candidates include individuals new to the road construction industry that do not currently hold a CDL license.
