

**SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION
NOTICE OF PUBLIC INFORMATION**

P-PH 0028(36)355, Deuel County, PCN 04HM
SD28 - From Estelline to SD15
Grading, Interim Surfacing, Replace Str RCBC, Approach Slab

The South Dakota Department of Transportation (SDDOT) will hold an on-line public meeting to present project details and receive public input on the above project.

Due to limitations on public gatherings recommended by the Centers for Disease Control, the department is posting project information on the department's website rather than presenting documents at an in-person public meeting. Members of the public may submit questions or comments about the project by completing an online form or by US Mail.

Questions or comments should be submitted by March 5, 2021.

The Project is being developed in compliance with state and federal environmental regulations.

Any individuals with disabilities who require a reasonable accommodation to access the information on the department's website may submit an accommodation request to the department's A.D.A. coordinator by calling 605-773-3540 or 1-800-877-1113 (Telecommunications Relay Services for the Deaf).

The Public Meeting information and comment form are available at the link below.
