The South Dakota Department of Transportation (SDDOT) will hold an open house style public meeting to discuss and receive public input on the above project. The open house will be informal, with one on one discussion with SDDOT design staff.

A presentation will take place at 5:30 p.m. Afterwards, SDDOT staff will be available with displays to discuss the proposed project and answer your questions. During this time, you can present written comments.

Information will be available on the acquisition of right-of-way and relocation assistance. This project is being developed in compliance with state and federal environmental regulations.

The project is being evaluated for potential impacts to waters and wetland, as well as threatened and endangered species. In addition, the project is being reviewed for impacts to United States Fish and Wildlife Service Moody County Waterfowl Production Area, a Section 4(f) resource.

Notice is further given to individuals with disabilities that this open house/public meeting is being held in a physically accessible place. Any individuals with disabilities who will require a reasonable accommodation in order to participate in the open house/public meeting should submit a request to the department's ADA Coordinator at (605) 773-3540 or 1-800-877-1113 (Telecommunication Relay Services for the Deaf). Please request the accommodations no later than **2 business days prior to the meeting** in order to ensure accommodations are available.

All persons interested in this project are invited to attend this meeting to share your views and concerns any time between 5:30 p.m. and 6:30 p.m.

For further information regarding this project, contact Cary Cleland, Road Design Engineering Supervisor at (605) 367-4970 ext. 1802119.
