The City of Sioux Falls and South Dakota Department of Transportation (SDDOT) will hold an open-house style public meeting to receive public input on the Environmental Assessment completed on 85th St. from Sundowner Ave. to Louise Ave., including the I- 29 Overpass. The public meeting will be informal allowing for one-on-one discussion with the study team. The purpose of the meeting is to present the findings of the Environmental Assessment and receive public input.

Area residents, daily commuters, and all persons interested in this project are encouraged to attend this meeting to share your views and concerns any time between 5:30 p.m. and 7 p.m.

A presentation will take place at 5:35 p.m. City of Sioux Falls, SDDOT, and consultant staff will be available with displays after the presentation to discuss the project. During this time, you will also have the opportunity to present written comments.

The Environmental Assessment document is available for public review on the study website and at the following locations:

SDDOT Sioux Falls Area Office
(5316 W. 60th St. N., Sioux Falls, SD)

City of Sioux Falls Public Works Administration
(City Hall—224 W. 9th St., Sioux Falls, SD)

Written comments will be accepted until December 18, 2017.

A website link, siouxfalls.org/85thStreet, has been established for the 85th St. Corridor. The Environmental Assessment is posted to the website for viewing at this time. The 85th St. and I-29 Overpass Environmental Assessment for public review is posted under the resources tab on the right side of the web page.
