US18 - 0.8 North of Pickstown Over Saint Francis Bay & US18 in Lake Andes
Structure # 12-387-289
Replace Structure, Grading,
Intersection Modification & Interim Surfacing

Date: Thursday, November 2, 2017
Time: 5:30 to 6:30 p.m. Central Time
Place: Rainbow Room
310 White Swan Street
Pickstown, SD 57367

The South Dakota Department of Transportation (SDDOT) will hold a public meeting to discuss and receive public input on the above project. The meeting will be informal, with one on one discussion with SDDOT design staff.

A presentation will take place shortly after 5:30 p.m. Afterwards, SDDOT staff will be available with displays to discuss the proposed project and answer your questions. During this time, you will also have the opportunity to present written comments.

Information will be available on the acquisition of right-of-way and relocation assistance. This project is being developed in compliance with state and federal environmental regulations.

The project is being evaluated for potential impacts to waters and wetland, as well as threatened and endangered species. In addition, the project is being reviewed for impacts to South Dakota Game, Fish and Parks North Point State Recreation Area, a Section 4(f) resource.

Notice is further given to individuals with disabilities that this public meeting is being held in a physically accessible place. Any individuals with disabilities who will require a reasonable accommodation in order to participate in the public meeting should submit a request to the department's ADA Coordinator at 605-773-3540 or 1-800-877-1113 (Telecommunication Relay Services for the Deaf). Please request the accommodations no later than **2 business days prior to the meeting** in order to ensure accommodations are available.

All persons interested in this project are invited to attend this meeting to share your views and concerns.

For further information regarding this project, contact Cary Cleland, Road Design Engineering Supervisor at (605) 367-5680.
