In Cooperation with:
United States Department of Transportation
Federal Highway Administration

The South Dakota Department of Transportation provides services without regard to race, color, gender, religion, national origin, age or disability, according to the provisions contained in SDCL 20-13, Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990 and Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, 1994.

Any person who has questions concerning this policy or who believes he or she has been discriminated against should contact the Department's Civil Rights Office at 605-773-3540.
SDDOT started taking traffic counts beginning with the 50th Rally in 1990. Counters were set at 18 locations, 6 of those locations counting traffic entering Sturgis. 2 locations were added in 2002, 2 more in 2003, and the last 2 locations added in 2005 making a total of 24 locations counted. Locations 7 and 8 were deleted beginning in 2012, making it 22 locations currently counted every year.

A new road, Ft Meade Way, was constructed by Meade Co in 2016. It connects I-90 Exit 37 to SD 34 by the Buffalo Chip Campground. Site 29N & 29S was added this year to the count locations.

Portable road tube counters are used at each location. The counters record one vehicle for every two axles that hit the road tube. All counters and road tubes are check daily during the week to ensure everything is counting correctly. Entering data is collected daily during the week.

Traffic can enter Sturgis at 9 locations. These are:
1. Site 3: I-90 Exit 32 WB offramp
2. Site 6: I-90 Exit 32 EB offramp
3. Site 9: I-90 Exit 30 EB offramp
4. Site 11: I-90 Exit 30 WB offramp
5. Site 13: US 14A EB SW of Exit 30
6. Site 17: SD 34 WB east of Buffalo Chip Campground
7. Site 22: SD 79 SB north of Bear Butte
8. Site 23: Vanocker Canyon Rd NB south of Exit 32
9. Site 29N: Ft Meade Way (ADDED IN 2016)

Please note that in 2017, the official dates of the Rally was changed to 10 days instead of 7 days. The official start of the 2017 Rally was Friday August 4th with it ending on Sunday August 13th.
Below is the Daily traffic entering Sturgis for the 2020 Rally at the 9 entering locations:
Traffic for the Official Rally Dates (10 days) was **down 7.5%** from the same period in 2019. 2020 Traffic entering Sturgis at the 9 locations was 462,182. Traffic entering for 2019 at the 9 locations for 10 days was 499,654.

We have been gathering 10 days of data since 2011. Here are the Daily Total Entering Sturgis for 2020-2011. The 2015 Rally (75th Rally) was the highest 10 day total entering since we started gathering traffic counts for 10 days in 2011. The 2020 Rally Entering Traffic was the lowest total entering.

Here is a look at the 2020 Daily Entering Totals compared to the Average Daily Totals Entering for 2019-2016
