## ABOUT SOUTH VETERANS PARKWAY

The South Dakota Department of Transportation and City of Sioux Falls have been working toward constructing Veterans Parkway from I-29 to I-90 since the original Environmental Assessment was approved in 2003.

In 2020, the northern segment of Veterans Parkway opened to traffic and the South Dakota Transportation Commission agreed to complete construction of the remaining 8.7 miles of parkway that make up South Veterans Parkway.

Design and permitting for South Veterans Parkway is underway and construction will occur in phases starting in 2023. The project is anticipated to be fully completed in 2027.

## JOIN US FOR A PUBLIC OPEN HOUSE

The South Veterans Parkway project team is hosting a public open house for the greater Sioux Falls community to review and comment on the current Supplemental Environmental Assessment (EA). Listen to a live presentation and connect with the project team one-on-one.
