

## Transit STIP Revisions 2026

REV 26-Transit-001      This revision added a FY2026 River Cities Public Transit (RCPT) project to identifying transportation-disadvantaged populations and build a comprehensive program to improve the lives of these populations along with the aim to purchase three expansion vehicles to provide transportation for those populations identified within the River Cities Public Transit (RCPT) service area.

FY 2026 Plus \$809,280

REV 26-Transit-002      This revision added a FY2026 Bus and Low- and No-Emission Grant to Aberdeen Ride Line & Prairie Hills Transit for the purchase of hybrid/electric powered vehicles. This revision also added a Bus and Bus Facilities Grant to Rapid City Area Public Transit for the replacement of older vehicles and buses and to Sioux Area Metro for the renovations of Bus Stop Shelters and ADA.

FY 2026 Plus \$4,902,000
